## Artistar Jewels Exhibition 2018

The Artistar Jewels Exhibition is an unmissable opportunity for contemporary jewellery aficionados. From 22nd to 25th February 2018, 170 international designers from over 30 countries will display more than 450 creations, most of which will be exhibited for the first time at the show.

The event will be held in the prestigious setting of Palazzo Giureconsulti in Milan, in conjunction with the February fashion week, and will host three protagonists from the world of art and contemporary jewellery: the Japanese conceptual artist Yoko Ono, the Belgian Pol Bury and the Parisian artist Faust Cardinali.

The exhibition is an international platform for established designers and a launch pad for emerging talent; it aims to create commercial networks and new artistic and cultural influences.

Free entry. For further information please visit the website.
