

Milano Jewelry Week 2020

Feb 25, 2020 10:43 am EST

The second edition of Milano Jewelry Week, the Milanese week entirely dedicated to the jewelry world, will take place October 22-25, 2020.

The event will feature high jewelry ateliers, goldsmith workshops, academies, art galleries, fashion boutiques, and design showrooms.

This year's event also intends to further strengthen its link with the city of Milan through the involvement of several commercial activities located in the area that will exhibit the creations of artists and galleries from all over the world.
