La seconda edizione della settimana milanese del gioiello, si avvia a creare una qualificata "rete di gioielli", capace di creare un interscambio tra acquirenti e produttori, attraverso diverse tipologie di eventi: mostre collettive e personali, vernissage, mostre di gallerie e scuole internazionali, serate di premiazione, workshop, cocktail party e performance, le cui location sono palazzi storici, atelier di alta gioielleria, laboratori orafi e accademie, gallerie d'arte, boutique di moda e showroom di design. Tra i grandi eventi spiccano inoltre: **Artistar Jewels**, The Jewelry Hub, Jewelry Drops e il Talent Show, a cui si aggiungono mostre ed eventi di artisti e gallerie da tutto il mondo e momenti didattico-formativi di docenti ed esperti che terranno convegni e laboratori su prenotazione.

The second edition of the Milano jewellery week, sets out to create a qualified "jewel network", able to create an exchange between buyers and producers, through different types of events: collective and personal exhibitions, vernissage, exhibitions of galleries and international schools, award evenings, workshops, cocktail parties and performance, whose locations are historical buildings, high jewellery ateliers, goldsmith workshops, academies, art galleries, fashion boutiques and design showrooms. The major events also include **Artistar Jewels**, The Jewelry Hub, Jewelry Drops and the Talent Show, to which are added exhibitions and events of artists and galleries from all over the world and educational moments of teachers and experts who will hold conferences and workshops by appointment.
