The one-of-a-kind kermesse highlights both established realities and talented artists through numerous initiatives: the **exhibition** in an exclusive historical location in the heart of Milan, the **editorial publication distributed in the most important European bookshops containing professional photographic images** of the creations selected, the **annual communication** disseminated in sector magazines, paper and digital magazines, newspapers and on the main social networks, the online sales channel **overjewels.com**, **prizes and awards** assigned by the international jury of Artistar Jewels, and the opportunity to participate at **shows and exhibitions in galleries around the world**.

The Artistar Jewels exhibition takes place from 19th to 22nd October 2023 in **Palazzo Bovara**, in conjunction with the Milanese Week which celebrates the history, tradition and innovation of the fascinating world of international jewelry and which includes over 150 widespread events throughout the historic center of the city. **Milano Jewelry Week** gives life to moments of sharing and interaction, involving operators in the sector and at the same time bringing the vast public of curious and enthusiasts closer to the jewel with a rich calendar of events: exhibitions, presentations, workshops, talks, awards, live performances and vernissages.

The international volume *Artistar Jewels*, published by the publishing house „Logo Fausto Lupetti Editore”, is **distributed in all Italian bookshops and in the major European capitals**. It is also **sent to 5,000 important contacts in the sector all over the world**: buyers, gallery owners, luxury boutiques, fashion stylists, who through the catalog will be able to discover innovative creations and choose talented artists for new collaborations. Like every year, **a jury of industry experts** selects the artists who have stood out for their originality and design, awarding them important **awards**. In the 2022 edition Lucia Massei, Creative Director of Alchimia Contemporary Jewellery School in Florence, the founder and owner of the Ambrosian Goldsmith School Guido Solari, the National Contemporary Jewelry Association Assamblage, the jewelry business consultant Donatella Zappieri and the jewelry historian Vanessa Cron were the members of the jury.

Artistar Jewels gives artists the opportunity to undertake new collaborations with important realities scattered all over the world thanks to partnerships and synergies born with numerous commercial activities, concept stores and galleries of the caliber of Alice Floriano (Brazil), Galerie Beyond (Belgium), Bini Gallery (Australia), Babs Art Gallery (Italy), Eleni
